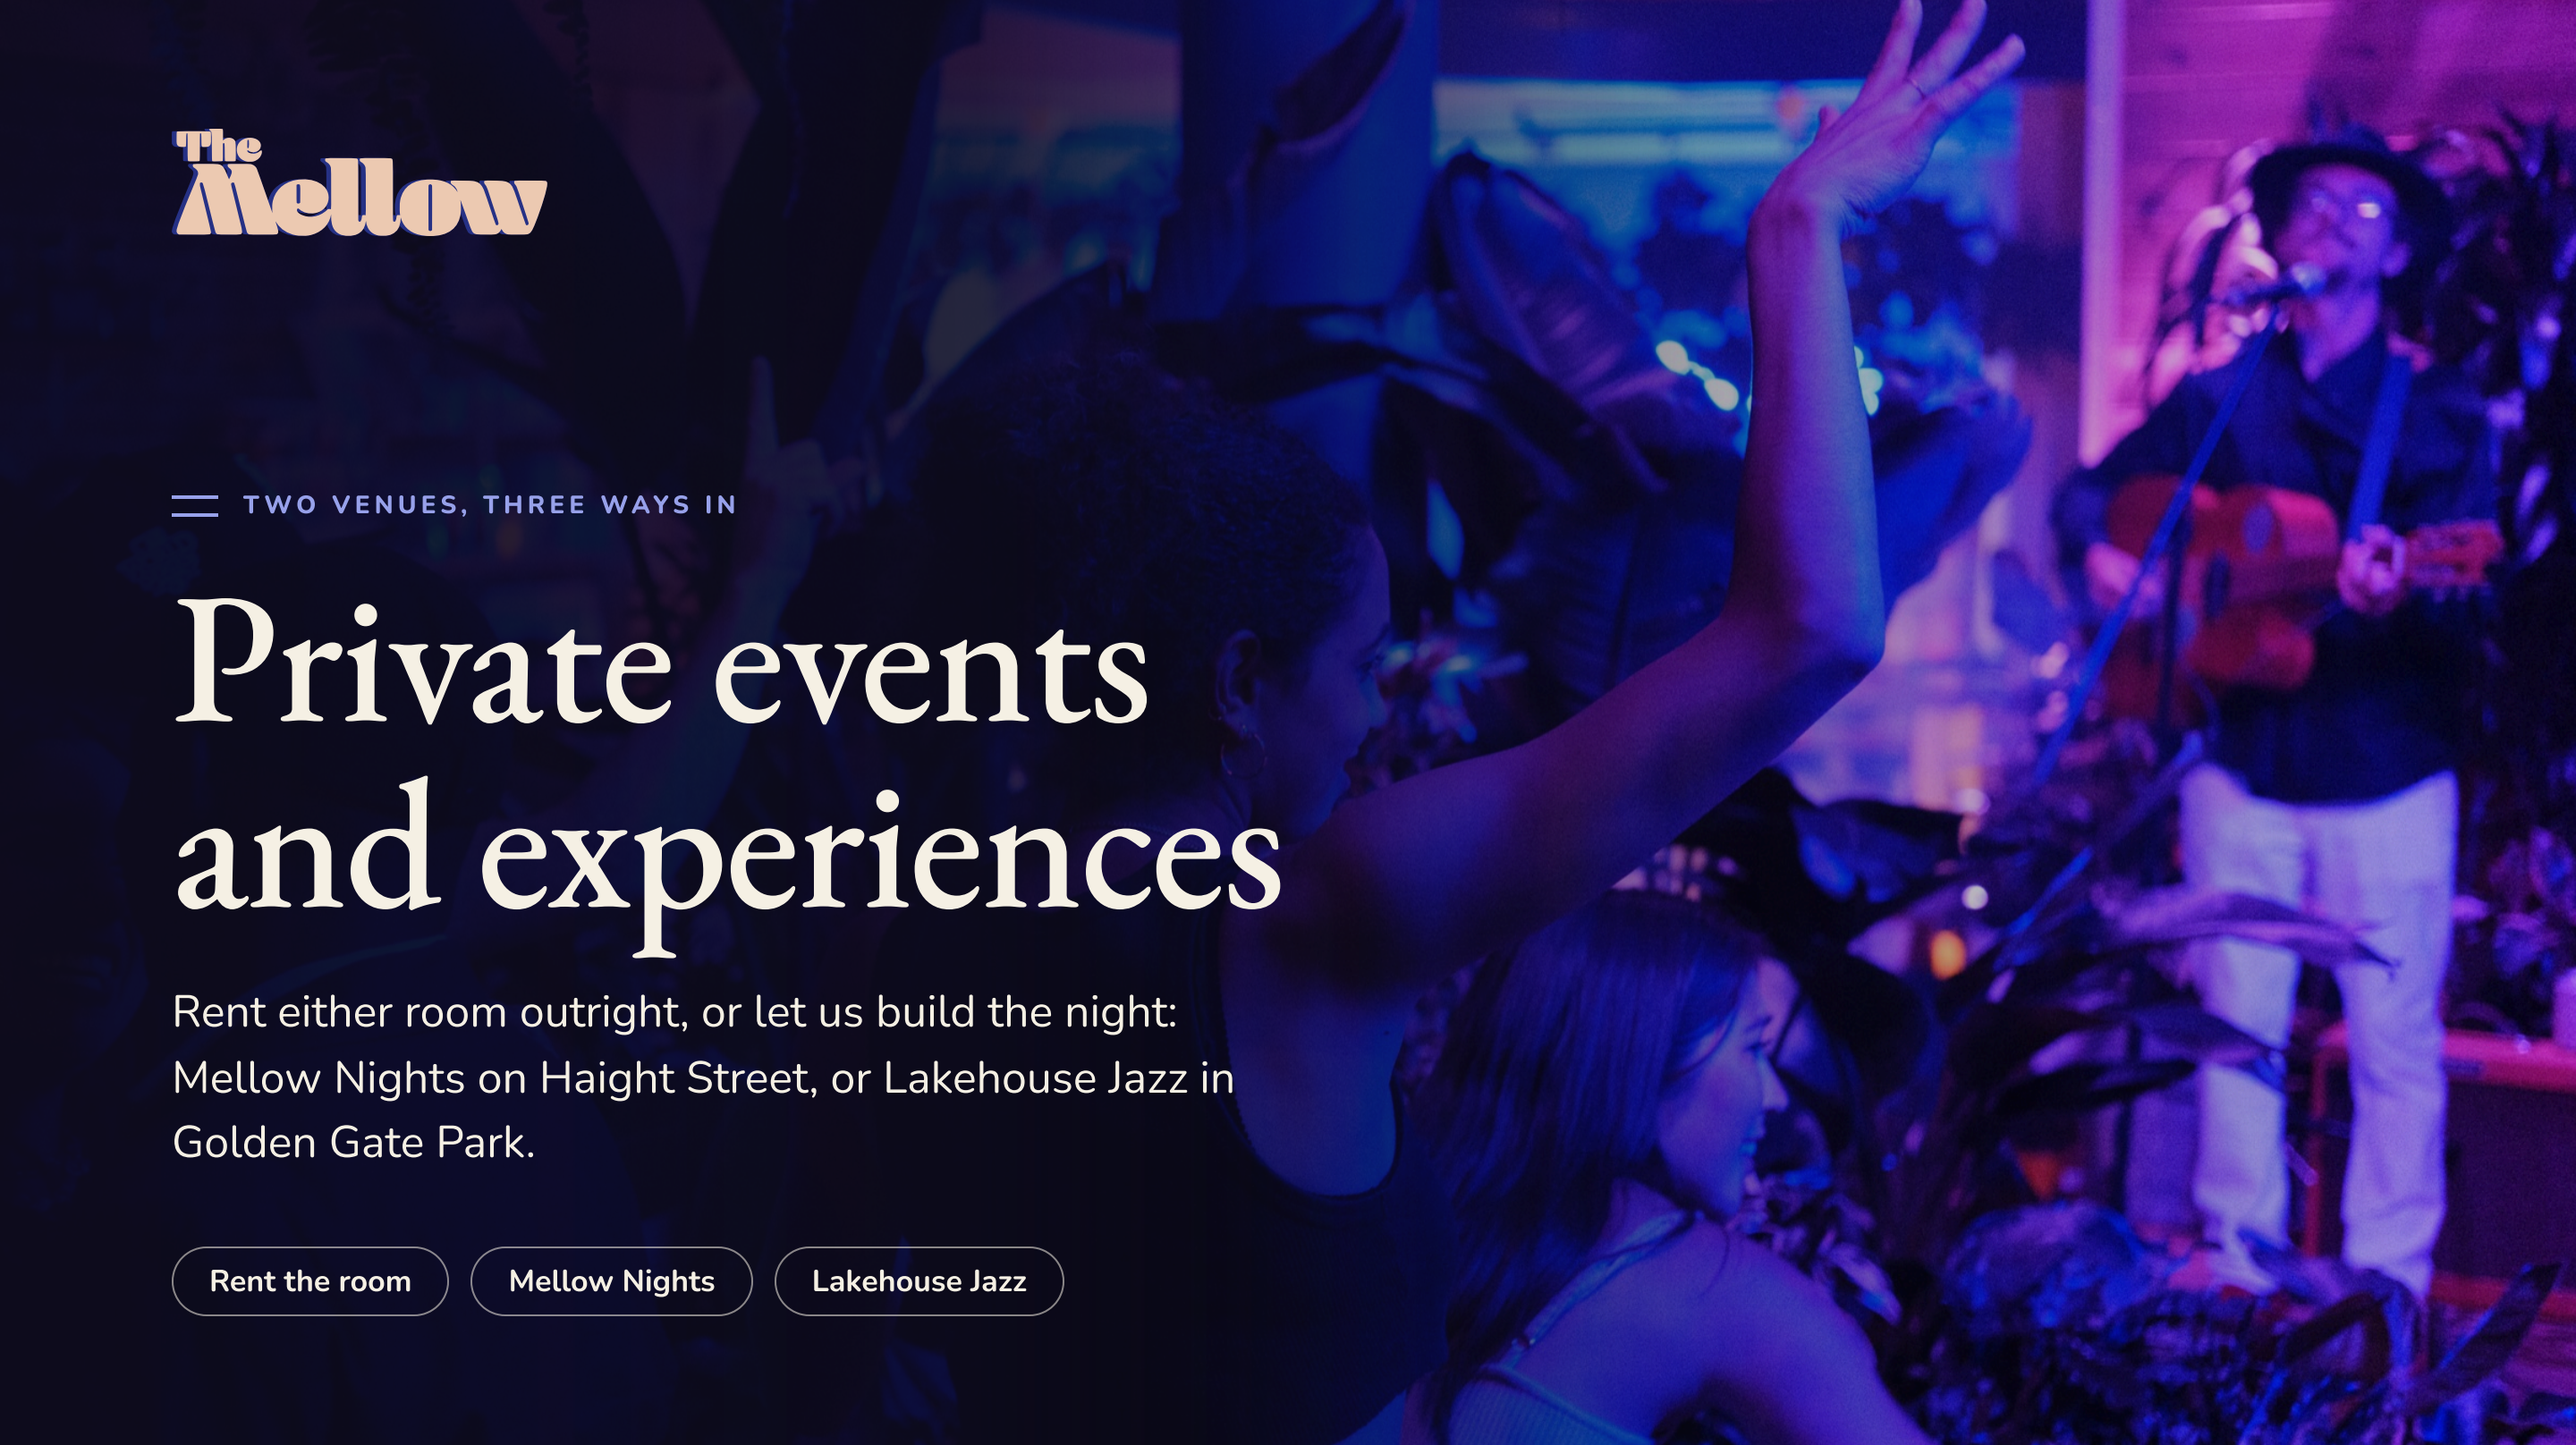
The Mellow

TWO VENUES, THREE WAYS IN

Private events and experiences

Rent either room outright, or let us build the night: Mellow Nights on Haight Street, or Lakehouse Jazz in Golden Gate Park.

Rent the room | Mellow Nights | Lakehouse Jazz



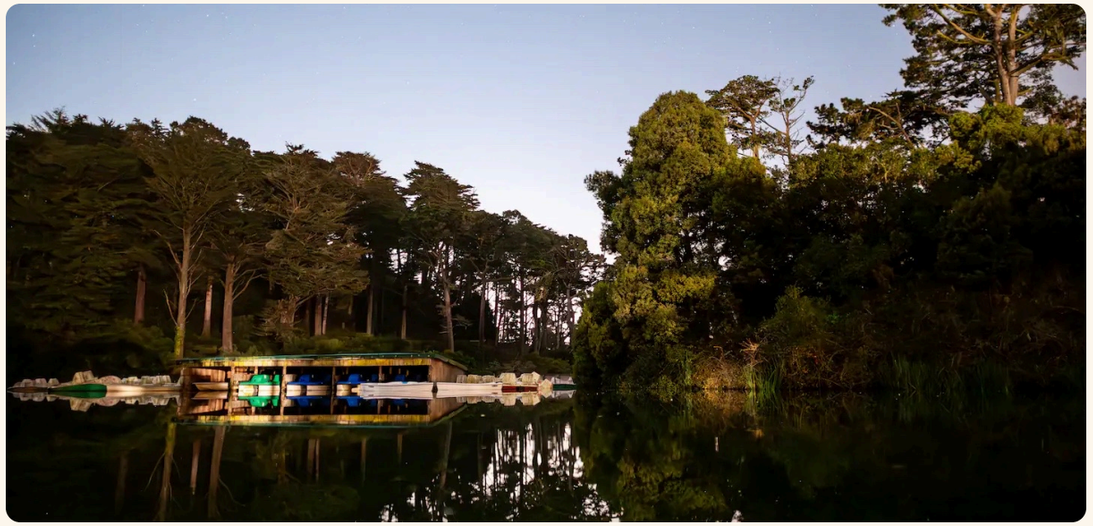
RENT THE ROOM

Either venue, for your own celebration, no team event required.

On Haight Street

Our San Francisco venue, yours for the night.

We handle the bar or the coffee bar, the sound, and a performer if you want one. You bring the caterer.



At the boathouse

The Blue Heron Boathouse, on the lake in Golden Gate Park.

We handle the performer, the space, and the beer and wine. You bring the caterer.

OR, LET US PLAN IT

A private evening does what an offsite agenda can’t

01

Culture, not a conference room

A night out as a team, away from the office, with no agenda and no slides.

02

One call, not ten vendors

We handle the space and every drink, music too if you want it, so you’re not chasing down separate bookings.

03

Places people talk about

A Haight Street venue and a boathouse in Golden Gate Park, both made for an occasion.

EXPERIENCE 01

Mellow Nights

Your team takes over our San Francisco venue for the night. We bring the bar, and the music if you want it.

THE VENUE	A private takeover for your group, after hours.
THE BAR	We take care of every drink: wine, beer, crafted cocktails and non-alcoholic drinks. Choose an open bar, or a tap with a minimum consumption. We can also create unique drinks for your event.
THE MUSIC	The soundtrack for the night, handled by us. It is optional.
FOOD	Catering for food is welcome. Beverages are always ours.
COFFEE BAR	An option if you want it.

In short

A private venue after hours, the bar already sorted. Set a drinks budget once, and you're done.

Good for: team happy hours, product launches, a night that starts right after work.
